

## Day & Time

The free tutoring takes place on Wednesdays only from 4pm-6pm in our fellowship hall. Parents of the child will need to make reservations with the church office for placement. The child will need to bring the subject material being studied, textbooks, lab books and any other pertinent material or information needed to help our tutors help them.

## The Importance of Tutoring

We believe the ability to think and reason is a God given gift that ALL should have the privilege of developing to their fullest potential.

That's why we at Fellowship Baptist reach out to "Serve our Community One Mind At A Time"

## Our Tutors

*OUR TUTORS are sensitive well rounded teens and adults that love children and care about their academic growth. Each*

*tutor is paired with 2 children for a 2:1 ratio thus providing a focused experience for your child*

*and a case load for our tutors that will keep them fresh and ready to help each child to their fullest potential.*

### LIMITED ENROLLMENT

*Placement for this free tutoring experience is limited to the number of our tutors currently signed up from our congregation. If you would desire that your child receive this free service, please contact the church of-fice ASAP for enrollment information.*

## Request More Information About Our Free Tutoring Program or Other Children's Ministries
