# The AWANA Club of Fellowship Baptist

At the AWANA club here at Fellowship Baptist Church, we are convinced that it is worth the time, energy, and expense to provide a quality opportunity for children to learn the teaching of Bible Scripture and apply it to their young lives. We consider it a blessing to provide a quality ministry program for children and youth.

## Meeting Time and Age Groups

The FBC AWANA club program meets from 6:30 to 8:15 p.m. on Wednesday nights and currently serves age groups from 3 years to 18 years old (those in 12th grade). We have recently added the JV group (Middle School) and the Varsity group (High School). It is our goal to help you train your child to walk in God's path rather than those of the world.

## Meeting Activities

Our AWANA meeting times are divided into 3 parts: *Handbook Time*, *Game Time*, and *Council Time*. Each is explained below:

- **Handbook Time:** is when clubbers recite their verses they have memorized at home during the week to their AWANA Leader.
- **Game Time:** is played outside on a specially designed game square. The games are very structured and are designed to teach clubbers to play as a team. Listening skills and ability to follow directions are heavily stressed.
- **Council Time:** is used to help clubbers relate their Christian faith to their everyday life and build a personal relationship with Christ. We use this time to tell Bible stories, bring visiting Missionaries to share their experiences from other countries, and/or to play Bible quizzing games. The children and youth involved in AWANA, called clubbers, earn points and AWANA bucks for memorizing sections from their handbooks, following directions, and winning games. All clubbers are divided into color teams and these teams compete with each other

during the course of the meeting to accumulate the most points. The winning team wins a treat at the end of the club time. The AWANA program stresses the importance of regular Sunday School and AWANA Club attendance and gives awards for this. Awards are given primarily for achievement in the handbooks.
